

Policy Unit: 5f PHB12

Parkstone Bay and Baiter Park

Summary

This unit is located to the north-east of Poole Harbour, and consists of low-lying reclaimed land, with large intertidal mudflats. The majority of the unit is defended by rock revetments, with the exception of the eastern end which is defended by various stretches of wall. Most of this unit is relatively undeveloped with no risk to property from erosion.

Survey Regime
